

At West Coast Gymnasts, Your Safety is Our Priority!

We want every child and young person at our club and events to feel **safe, welcome and included**, no matter, who you are, where you come from, or what you can do.

We do not allow anyone to hurt, bully or make children feel unsafe.

If something happens that is not okay, we will take it seriously and help straight away.

You have the right to feel safe here.

You can always speak up if something worries you, makes you uncomfortable, or does not feel right.

We will **listen** and help you.

★ ★ Keeping children safe is one of the most important things we do, and that will never change.
