

Child Safety Commitment Statement

West Coast Gymnasts is committed to the safety, wellbeing, participation and empowerment of all children and young people accessing our programs and services. We strive to create an environment that is safe, educational and fun for everyone involved in our activities.

West Coast Gymnasts has a zero-tolerance approach to any form of child abuse. All allegations, disclosures and concerns will be treated seriously and responded to immediately, consistent with our Club Policies and Procedures. We support the rights of all children and young people to feel and be safe, and the right to be confident to raise concerns if they feel unsafe or if their needs are not being met.

Our commitment is guided by the National Principles for Child Safe Organisations, the Gymnastics Australia Safeguarding Children and Young People Policy, Gymnastics WA requirements, and Sport Integrity Australia's National Integrity Framework.

All members, coaches, administrators, judges, volunteers, visitors, contractors and Committee Members must understand and comply with these Policies at all times.

We work together to ensure a welcoming, inclusive and protective environment for all children, with active supervision, safe coaching practices, clear behavioural expectations, immediate reporting of concerns, and support for anyone raising issues.

We recognise the essential role of parents and guardians and commit to educating our entire club community about rights, responsibilities and reporting pathways.

Child safety and protection remain a priority for us now and into the future. Together, we pledge to provide an environment where children feel safe, respected, valued and encouraged to reach their full potential.
