ABOUT WEST COAST GYMNASTS

At West Coast Gymnasts Inc, we take immense pride in our affiliation with Gymnastics WA and Gymnastics Australia, and our commitment to maintaining a team of highly qualified coaching staff. All our coaches are either accredited or diligently working towards their accreditation, ensuring the highest standards of expertise.

As a not-for-profit community Club, West Coast Gymnasts Inc operates under the guidance of a dedicated volunteer Management Committee. While our coaching and administration staff are paid professionals, we greatly value the invaluable contributions of our volunteers who selflessly devote their time for the betterment of the Club. We warmly welcome individuals who are enthusiastic about joining our team and making a difference. Whether it's fundraising, Club events, promotion and marketing, sponsorship, or even engaging in rewarding projects like building maintenance, there are numerous captivating avenues for you to explore in Club management.

The volunteer management Committee is elected by our attending Club members during the Annual General Meeting, typically held in February or March. We convene monthly Committee meetings on the third Monday, and we encourage members to submit any matters for consideration in writing, addressed to "The Secretary" via email secretary@westcoastgymnasts.org.

We extend a heartfelt invitation to all our members and their families to fully immerse themselves in the sport and actively participate in our Club. At West Coast Gymnasts, volunteers play a pivotal role in various aspects of Club operations. Specific calls for assistance with events and activities are regularly communicated through our Club Newsletter or via email. During the competition season, there is a range of volunteer positions available, such as announcing and runners, which are crucial for the smooth functioning of competitions. We kindly request your understanding that if your child participates in competitions, you may be called upon to lend your support. We encourage everyone to contribute at least one volunteer session per year, fostering a collaborative and supportive community spirit.

We sincerely appreciate your involvement with West Coast Gymnasts and eagerly anticipate the meaningful experiences we will share together.

We are currently seeking volunteers in the following areas:

The Club is working towards building a brighter, more inclusive, safer and welcoming environment which hopefully will be up and running by the end of 2023. In the meantime, please bear with us as we work out of Unit 1 solely.

COMMITTEE AND GENERAL VOLUNTEERS

All members and their families are invited to participate fully in the Club. The Club is dependent on volunteers to assist with the running of the Club in many areas including administration, fundraising, judging, coaching and event co-ordination. Calls for assistance with specific events and activities are often placed in the Club Newsletter, on our Facebook page or website www.westcoastgymnasts.org.

FUNDRAISING AND VOLUNTEERS

West Coast Gymnasts heavily relies on fundraising and grant money as a source of income so that we can continue to keep our costs to parents/guardians as low as possible. Volunteers are regularly sourced to help with odd jobs around the venues, help with sausage sizzles, busy bees and general community events. A regular chocolate drive is run throughout the year, as well as other events.

If you have any ideas on some fundraising ventures or would like to assist with running events to help raise some much-needed money, please do not hesitate to speak to one of our Committee members or one of our friendly office staff.

Squad members are billed a Fundraising Levy if they do not assist with any fundraising activities during their squad semesters. For recreational members, whilst we encourage participation, this levy is incorporated into the monthly fees.

There may be alterations to these times during school holidays and/or due to staffing restrictions so please bear with us if the phone goes unanswered.

COACHING STAFF

At West Coast Gymnasts, our Coaching Staff show unwavering dedication and invest numerous hours in unpaid planning to ensure the best experience for your child. However, on rare occasions, your child's coach may have other commitments or fall ill. In such instances, we have a team of well-qualified coaches who will step in and lead the class. While it is infrequent, there may be rare circumstances where a class needs to be cancelled. In such cases where no make-up class can be arranged, we will provide a credit of fees to ensure fairness.

While we strive to provide consistency for our gymnasts, please note that the Club reserves the right to make changes to the coaching staff without prior notification. Many of our coaching staff are university students who often experience timetable adjustments during mid-semester periods, allowing them to balance their studies and work commitments effectively. We kindly request your understanding as this situation is beyond our control, and we assure you that we will minimise any disruptions as much as possible.

Rest assured that all our staff members are fully accredited and registered as Technical Members through Gymnastics Australia. They also possess current First Aid certification and hold a valid Working With Children Card, ensuring the safety and well-being of all children.

To stay at the forefront of their field, our coaches are mandated to attend regular updating clinics, events, and workshops to renew their annual technical membership. This commitment guarantees that your child receives the most up-to-date coaching techniques and practices available.

We kindly remind you that our coaches are highly experienced in all aspects of your child's program and are the best individuals to make the right decisions for their progress. Just as you would trust other qualified professionals, we request that you extend the same trust to our coaches. By doing so, we create a harmonious and supportive environment that fosters your child's development.

We appreciate your understanding and support in recognising the expertise and dedication of our coaching staff. Together, we can provide the best possible gymnastics experience for your child at West Coast Gymnasts.

COACH EDUCATION PROGRAM (LEAP)

West Coast Gymnasts also runs a coach education program (LEAP) by providing members the opportunity to learn all aspects of the Club. Our LEAP Program is designed to improve the volunteer base within sporting Clubs, particularly providing opportunities for youngsters. Participants aged 12-15 years of age are provided with the opportunity to develop skills and knowledge in the pathway areas of: -

- coaching;
- event/team management;
- participation;

Participants complete a required number of hours in their selected pathways under the direction of the nominated supervisor. In addition, participants receive recognition from their sport, develop lifelong skills, have lots of fun, and develop important networks within the sporting industry.

CLUB RULES

At West Coast Gymnasts Inc, we have established important rules and guidelines to ensure the safety and smooth operation of our Club. It is crucial for all members and visitors to adhere to these rules, as failure to do so may have consequences on your membership. We kindly ask for your understanding and cooperation in maintaining a secure and respectful environment for everyone involved.

Please take note of the following rules:

1. **Gym Floor Access:** The gym floor is strictly reserved for gymnasts and coaches only. Parents and siblings should refrain from entering the training area unless specifically invited by a coach or participating in a KinderGym program that requires adult participation. This rule is essential for safety reasons and to prevent potential injuries to both yourself and other members.
2. **Car Park Safety:** Playing in the car parks is strictly prohibited under any circumstance. We prioritize the safety of all individuals on our premises, and engaging in such activities poses significant risks.
3. **Drop-off and Collection:** Gymnasts must be dropped off and collected from inside the gym. We request that gymnasts waiting to be picked up gather in the designated area (foyer). If you anticipate being late to collect your child after training, please notify the Club reception accordingly.
4. **Distractions During Classes:** To ensure a focused learning environment, please refrain from talking to, waving at, or distracting gymnasts or coaches during classes. If you need to communicate with your child's coach, kindly arrange an appointment through the administration team or directly.
5. **Professional Conduct:** Avoid gossiping, discussing, or criticising the Club's coaches, staff, or management to other parents, especially in public areas such as the foyer or car park. If you have any queries or complaints, we encourage you to direct your concerns to a Committee Member or the Club Operations Manager. Gossiping is not tolerated and can jeopardise your child's position within the Club.
6. **Dress Code and Safety:** Gymnasts are required to remove all jewellery during training, and long hair must be securely tied up and away from the face. Please ensure appropriate training clothing is worn, avoiding denim, dresses, or skirts that may hinder movement.
7. **Smoking Policy:** Smoking is strictly prohibited inside the building and within a 5-meter radius of the outer perimeter.
8. **Medical Conditions:** It is vital to inform coaches of any medical conditions that may impact your child's participation in gymnastics. We encourage members to also have any medical conditions listed on the Customer Portal.
9. **Supervision and Equipment Usage:** Gymnasts must not enter the gymnasium or use any equipment until their class has commenced under the supervision of a coach. Running is prohibited within the gym (unless instructed to). Athletes must walk around equipment and waiting areas. We do not permit running or the performing of gymnastics skills in the foyer or waiting rooms.
10. **Maintaining Cleanliness:** Please refrain from littering and use the provided bins to dispose of waste appropriately.
11. **Respect for Club and Equipment:** Treat the Club premises and equipment with respect. Refrain from picking foam or mats and avoid defacing any displayed photographs, notices, or program charts. We expect members to demonstrate respect towards the venue and its contents.
12. **Food:** Food is not permitted to be consumed in the gym area.
13. **Photography and Videography:** Permission must be obtained from a Club Committee member or the Club Operations Manager before taking any photographs or videos. Please be mindful that child protection laws may restrict the capturing of certain individuals. Unauthorised photography or videography may result in being asked to leave the venue.

We appreciate your cooperation in adhering to these rules, as they contribute to the safety and wellbeing of all patrons.

COACH-PARENT PARTNERSHIP

The following are suggestions on how you can help nurture a positive sport experience for your child by developing a strong coach-parent partnership.

- Recognize the coaches' commitment. Your child's coach has made a commitment that involves many hours of preparation beyond the time spent at practice. Respect their commitment and imagine yourself in their shoes before approaching them to discuss issues you may have.
- Be your child's biggest fan. The best role you can play is as a supportive cheerleader rallying them to rise to the challenges placed on them by their coach. It is important that your child know they have your support regardless of their performance.
- Make your child's coach day by sharing the positive things you observe. Often a coach only hears about the complaints and would gladly welcome feedback on what you feel is going well.
- Keep the athlete unaware of any coach issues you may have with your child's coach. It is important that your child develop a trusting relationship with their coach. This may be tested should they receive conflicting information from you.
- Work to resolve issues with your child's coach without jeopardizing the coach-athlete relationship.
- Make early, positive contact with your child's coach to establish your partnership and support of a healthy training environment under which your child can flourish.
- Our coaches will place gymnasts at the level where they can be happy, safe and confident. This means every gymnast must be able to perform the skills and routines required at a given level. The skills should not be beyond his/her ability level. We can never ask or expect our athletes to perform skills or routines in a competition which they cannot perform in practice.

FIRST AID

Many of our staff are First Aid Certified and can perform CPR if required. The Club maintains a fully stocked medical cabinet for basic emergencies and has a Defib on site.

Staff are not able to dispense medicines (including paracetamol) without the written permission of a parent or guardian but are able to provide basic first aid if the need arises. Gymnasts requiring regular medication are required to notify their coach and provide written consent from their parent or guardian.

Participation into our programs implies that parents/guardians give permission for their child to receive first aid in the event of an emergency.

Gymnasts who require strapping to be applied for injuries or training **must** supply their own strapping tape.

JOINING THE CLUB

All new members are welcome to a "single day booking" which must be processed and paid for through the Customer Portal. If after this single day booking, the athlete wishes to join the Club, the remaining monthly costs will be due and payable, along with any relevant registration/insurance costs.

As part of registration to the Club you automatically become bound by the following rules and regulations of the Club and Gymnastics Australia/Western Australia so we encourage all members to familiarise themselves with how our Club operates.

FEES

The Club charges monthly for ongoing enrolments. We DO NOT run with school terms so please make sure you are aware of this prior to enrolling. Invoices are generally processed around the 28th of each month for the following month, with payment due by no later than 7 days from date of invoice.

For a full breakdown of our Fees Policy, please visit our website www.westcoastgymnasts.org and navigate to the Policies and Procedures tab. It is important to know and understand how our Fees Policy works so that we can alleviate any misunderstandings during membership.

All accounts/invoices etc. are handled by the Accounts Manager/Treasurer so if you have any queries please speak to Kath Arendt. Kath can be emailed at accounts@westcoastgymnasts.org.

It is a condition of membership that a bank card is kept on file. This card must be always valid and recurring billing must be authorised to allow us to AutoPay when invoices are due.

Any online enrolments/purchases need to be paid in full at the time of booking – this is applicable for classes, competitions, school holiday programs, point of sale items and any other events that may be offered by the Club. For ongoing enrolments, invoices will be processed at the end of each month, with fees due and payable no later than 7 days from the date of invoice.

Overdue accounts will result in suspension of the gymnast until the fee is paid in full. NO PAY NO PLAY!

West Coast Gymnasts does **NOT** refund monies once they have been paid.

Nonattendance does not qualify a member for a refund, credit or make up class. If a class is cancelled by the Club, a makeup class may be offered depending on coach availability. If the makeup class cannot be held, a pro rata credit will be applied to your account at the end of the month.

We do offer makeup tokens for selected classes. Please see our Makeup Token Policy for more information.

For any sickness or illness, a doctor's certificate **is required**. Presentation of this certificate to our Finance Manager will then entitle you to a credit on your account for the period stated.

TERMINATION OF CLASS ENROLMENT / MEMBERSHIP OF CLUB

Should you decide to stop enrolment in a class, the Club requires a minimum of 4 weeks' notice (sorry, we don't accept verbal drop notices). To Drop an enrolment, simply navigate to your Customer Portal. In rare instances, we can accept a written email provided it is sent to admin@westcoastgymnasts.org with 4 weeks' notice.

As per our Constitution, if you wish to terminate your membership at the Club prior to the end of the calendar year, we require **4 week's written notice**, either in writing to admin@westcoastgymnasts.org or via the Customer Portal.

During the Drop Notice Period it is important to remember that all fees are due and payable and final payment must be made in full prior to the Drop Date. Failing to bring the account into line will initiate a Demand Notice being issued by our Debt Collection Agency.

Athletes wishing to transfer to another affiliated Club will not be able to do so until such time that the account is paid in full.

ABSENCE

If you are unable to make a class please ensure that you let us know via the Customer Portal, navigating to the Future Absence tab.

.Non attendance of a class does not entitle you to a credit or refund of fees.

ARRIVALS

Starting on time means that all athletes will get the most out of their class so please ensure your child is prompt to class. Warmups at the beginning of each class are vital to the teaching of basic body positions and stretching.

If you will be late for a class or your child needs to leave early the Club coach must be notified, if possible, before the commencement of that class, so that class programs can be altered if necessary.

ASSUMPTION OF RISK

Participation in gymnastics carries an inherent risk of injury like any sport or physical activity. Many gymnastics activities require inversion of the body which in turn carries the risk of head or spinal injury. This risk is greatly controlled by accredited and experienced coaches. Parents should be aware of this risk prior to accepting membership.

Your child may receive rips to their hands, have sore muscles, become tired until they accustom themselves to the workload, may cry in frustration and even may want to quit because it is hurting them. This is all a natural part of gymnastics so don't be disheartened.

PHOTOGRAPHY / VIDEO

As many parents have not given consent for their child to be photographed, we request you refrain from taking any form of photography/filming within the Club facilities without seeking prior permission through the office.

PROGRESSION

At all levels, the proper progression of skills is our most important concern. Frequently students want to learn the "hard" tricks right away. For safety reasons, competency in basic skills is essential since they are the pre-requisite for more advanced skills. Most skills cannot be performed correctly until the student is either strong enough or flexible enough to do the skill.

This is the purpose of the conditioning and stretching aspects of our program. Once strength and flexibility are attained, the student can work toward achieving correct technique and good form. Constant repetition while striving for good technique is the key to continued progress.

Gymnasts must execute skills safely and with correct technique prior to advancing to the next level. The time span to achieve the required levels varies from gymnast to gymnast and depends on their strength, flexibility and mental preparedness. Coaches are the best ones to make these decisions and their decisions are final.

PUBLIC HOLIDAYS

The Club will be closed on all public holidays. No charges to your account are processed for public holidays. At the senior level, there may be rare instances where training may occur on a public holiday due to a fast-approaching competition.
